Student Services

Le Moyne offers a variety of services to meet the academic and personal needs of students. The following information provides an overview of the facilities, programs, services and activities designed to assist students.

Student Identification Cards

Student picture IDs are issued from the Office of Campus Life and Leadership located on the second level of the Campus Center. Individuals must show proper identification, such as a driver's license/permit or state-issued ID, before being issued a college ID card. A current Le Moyne student ID will allow students to check out books from the library and use the facilities at the recreation center.

Heights Alert Emergency Notification System

The Heights Alert system is designed to enhance and improve communication so that all members of the Le Moyne College community can stay informed in the event of an emergency on campus. This voluntary system allows students and staff to be notified by a text message to their cell phone, in the event of an emergency or campus closure. The message can also be sent to a designated email address. The system will be used only for emergency contact purposes. Subscribers to Heights Alert will pay no fees for the service, other than any regular fees associated with text messaging.

Dining Services

The Dolphin Den, located on the ground floor of Grewen Hall, features a convenience store, an upscale coffee shop and a full-service snack bar all in a large, comfortable space. A pub, located in the Campus Center, is a social space for the members of the Le Moyne Community who are 21 years of age or older.

Health and Counseling

All full-time graduate students are required to have medical insurance and must be enrolled in a college health insurance policy that will be billed directly to the student's account. This fee can be waived if the student can provide evidence of other insurance. If they cannot provide evidence, they will be placed on college health insurance. The waiver process is done online and the instructions will accompany the bill. All students, regardless of class status or credit hours may purchase this insurance. Information is available at the Wellness Center for Health and Counseling.

College life can be quite stressful at times. Stress can arise about academics, relationships, family, mental health issues, and overall emotional well-being. It is a sign of courage to recognize when help is needed, and it is also the first step in solving any difficulty.

To support students in building resiliency and finding healthy and productive ways to address their concerns, students are encouraged to

make an appointment at the Wellness Center for Health and Counseling, located in Seton Hall.

The Wellness Center offers the following:

- A holistic assessment and recommendations for treatment, which may include referrals to a variety of therapy and support groups offered by professional counselors on campus, off-campus referrals, and short-term, solution-focused individual therapy. Intake appointments can be scheduled by calling 315-445-4195.
- Services related to substance abuse issues and concerns including assessments, support and educational groups, and short-term counseling.
- A variety of wellness programming for the campus community.
- Resources to borrow, which include brochures, books, and DVDs.
- Consultation with student, families, faculty, and staff.

Campus Ministry

Campus Ministry, based in the Panasci Family Chapel, is committed to serving the entire college community from the perspective of faith and values. An attitude of respect is encouraged among all religious traditions represented by the Le Moyne population. The pastoral staff offers many opportunities in spiritual growth, community building and service in the name of justice. Through a variety of retreats students, faculty, administrators and staff are encouraged to come to a deeper awareness of the truth in their hearts and to be inspired by the call to be leaders as they serve the needs of others. Amnesty International, Habitat for Humanity and the Ignatian Teach-In are just a few of the social justice programs sponsored by Campus Ministry that embody the hallmarks of a Le Moyne College education. Participants deepen their relationship with God through consciousness-raising activities that challenge them to integrate their personal values with the call to justice.

The Alternative Break Program provides national and international service and learning opportunities for the students, faculty, administrators and staff of the College. The goal of the program is for participants to deepen their relationship with God through sharing in the lives of those living in poverty through short-term service projects and living experiences.

Campus Ministry provides opportunities for students and staff to take part in the liturgical ministries of lector, Eucharistic minister and choir member. All are welcome to come to the Campus Ministry center where they can relax and find a trusted place where both religious and spiritual concerns can be addressed.
