

INTERDISCIPLINARY PROGRAMS

The Interdisciplinary Programs at Le Moyne College offer students the opportunity to earn a Bachelor of Science degree with a major in biochemistry, a Bachelor of Science degree in Professional Studies with a concentration in health related studies or business, and a Bachelor of Arts degree with a major in peace and global studies. In addition, students may choose to minor in arts administration, peace and global studies, urban and regional studies and gender and women's studies. Also through the Interdisciplinary Programs, students may take library courses and courses at the Syracuse Consortium for Culture and Medicine and participate in the College's Integral Honors Program.
